CIXI SHIQIONG
ELECTRIC APPLIANCE
CO.,LTD

Company Profile

Professional
Electronic Connector
Manufacturer

Certificates

Established in 2013, CIXI SHIQIONG ELECTRIC APPLIANCE CO.,LTD is a professional manufacture and exporter that is concerned with the design development and production of travel adapter, plugs, German type adapter, French type adapter, German type socket, French type socket, night light, extension cords, copper accessories and so on. We are located in NINGBO which is with developed traffic transportation and communication network. All of our products comply with international quality standards and are greatly appreciated in a variety of different markets throughout the world.

Covering an area of 5000 square meters, we now have over 130 employees with humanized but strict management.

Our well-equipped facilities and excellent quality control throughout all stages of production enables us to guarantee total customer satisfaction. Besides, we have received BSCI, ISO9001, GS, NF, ROHS, CE, TUV, TUV/INTERETK GS, VDE, REACH and so on.

As a result of our high quality products and outstanding customer service, we have gained a global sales net work reaching Germany, France, Poland, Spain, Romania, Italy, Greece, Belgium, Czech, Holland and so on. The company offer ODM and OEM service. The products are very favorable at home and aboard and deeply received favorable comments from the customer.

We are looking forward to forming successful business relationship with new clients around the world.
