CIXI JIARUI ELECTRIC APPLIANCE CO., LTD

BRIEF INSTRUCTION

Founded in 2005, Cixi Jiarui Electric Appliance Co., Ltd is a professional manufacturer with research, development, production and marketing which devotes to the development of healthy, safe, innovative and eco-friendly small home electronic appliances. The main products are convectors, outdoor heaters, radiation heaters, fan heaters, PTC heaters and so on.

Our factory has 5-100 tons punching machines, 100-315 tons hydraulic tensile equipments, 200-2500g injection machines and production lines, with a complete and scientific quality management system.

Jiarui has been established for 20 years, as a professional manufacturer, our company has ISO9001, BSCI, GS, EMC, CE, CB, RoHs, Erp. for Europe market.

Our company has a strong R&D design team and has establish quality assurance system, we are striving to become the top brand enterprise in the field of small Household electric appliance.
